

The screenshot shows the NDSL search results page on the left and the export dialog on the right. In the search results, a checkbox is checked next to the first result. In the export dialog, the 'RefWorks Direct Export' option is selected in the 'Export Format' dropdown menu. Red arrows and boxes labeled 1, 2, and 3 indicate the steps: 1. Check the checkbox next to the search result. 2. Click the '출력' (Export) icon. 3. Click the '확인' (Confirm) button after selecting the export format.

1. 검색결과에서 원하는 레코드 체크 표시
2. 검색결과목록 출력 아이콘 클릭
3. 출력화면에서 **Export Format**을 **RefWorks Direct Export** 선택 후 **확인** 버튼 클릭
